

Flying to the Bahamas

This seminar is geared towards pilots who want to fly a General Aviation aircraft to the Bahamas. Speakers will discuss all the requirements and safety precautions pilots should consider before launching the flight over water. Attendees will learn about pre-flight planning and filing, oceanic weather patterns, regulations, emergency preparedness and equipment, and limitations.

Directions: DeKalb Peachtree Airport (PDK) is located northeast of downtown Atlanta, between I-75 and I-85 and south of I-285. The American Flyers flight school is on Airport Road at the intersection of Clairmont Road.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
